TIMELESS DECORATIVE MATERIALS IN THREE-DIMENSIONAL ART

Giuliana features classic decorative materials in three-dimensional art for modern walls. Rich blends of brown, black, and white in three mosaic patterns—block, pinwheel and basket weave – come to life in design-forward shapes and patterns. Intricate arrangements of frosted, metallic, textured and clear glass harmonize with rich marble to create timeless looks that can stand alone beautifully or integrate seamlessly into an overall design for breathtaking appeal.
